Ride Camp Location:

Outback Station LLC, 76231 Hwy 31, La Pine, OR 97739

The average high temperature for July 1 in La Pine is 77 °F and the average low is 44 °F, but it could be substantially warmer or cooler, so come prepared for chilly nights and warm days.

From the North – Take Hwy 97 to La Pine. About 2 miles south of town, turn left onto Hwy 31 (towards Silver Lake/Lakeview). At the 25 mile marker, turn left on NF-3125. Ride camp is on the left approximately ½ mile down NF-3125.

From the South – Take Hwy 97 15 ½ miles north from Crescent, OR, then turn right onto Hwy 31 (towards Silver Lake/Lakeview). At the 25 mile marker, turn left on NF-3125. Ride camp is on the left approximately ½ mile down NF-3125.

Hay and Feed Info: Weed free hay is not required. Hay will be available for purchase at Outback Station for \$15.00/bale. There is also hay and feed available in La Pine at La Pine Feed & Pet Supply, 16565 Reed Rd, La Pine, OR 97739.

Camp Open Date: Thursday, June 29, 2017

Course Information: Ride camp is near 4500 feet in elevation. The course will be a combination of dirt roads and single track trail wherever we can. Some foot protection like nailed on shoes or boots is prudent. There will be some rocky sections which would leave a barefoot horse sore at the finish. It would be a shame to put all that work in and not reward your animal with a completion and happy feet. If you aren't running barefoot, don't make your horse do it.
